Summer Programs 2026

1st-6th

Week 1 BGCA Week: Summer kicks off with Boys & Girls of Southwestern Oregon Week. Kids will get to know their site and staff while reminiscing about their favorite BGCSO memories and making new ones kicking off their summer adventure.

Week 2 Culinary Compass: Culinary week will be a global exploration, where each day members will learn to create dishes from around the world.

Week 3 The Great Outdoors: From nature-based activities to local field trips, kids explore the best of Coos Bay and the coast. It's an active, outdoor centered week designed for members searching for summer activities that keep them moving and engaged.

Week 4 Mad Science-STEAM: This week is built for kids who love to tinker, build, and figure things out. Through fun challenges and giant STEAM experiments, members learn valuable problem-solving skills.

Week 5 Legend of the Coos Mystery: Mysteries are all around us! Step in to a world of detectives with The BGC Mystery Week, where you'll solve riddles, follow trails and piece together puzzles. Detectives, your mission is to solve the Great Coos Mystery left behind by the elusive Edgar Allen Chelsea.

Week 6 Eco Quest: Flora, Fauna and Fungi, oh my! Journey into the Pacific Northwest from the comfort of the Club this summer. Enter in to the world of sustainability, where we will spend time outdoors, appreciating nature and grow our love for the environment.

Week 7 Ahoy Matey: Get ready for a splashing good time as our buccaneers embark on a thrilling pirate adventure filled with water based fun!

Week 8 Dare to Explore: Exploration is the name of the game. Spend the week learning about the National Parks and the wildlife and different environments they live in .

Week 9 Board Game Battle: Members will spend the week learning and playing different board games while competing to create the ultimate new adventure board game.

Week 10 Curtain Call: This will be a full week of games, celebrations, and memory-making wrapping up the summer. It's a joyful finish for families who want their kids to end their Boys & Girls Club of Southwestern Oregon summer camp experience on a high note.
